

Fabius-Pompey Concession Stand Commemorative Engraved Paver Program

You can become a permanent part of Fabius-Pompey sports history and leave a lasting memory at the new concession building. The patio area next to the concession stand serving window is partially filled with personalized bricks engraved with names and messages and there is space for more. The paver patio captures the Fabius-Pompey sports tradition and provides a unique opportunity to leave your message for future generations of athletes, families, and friends of Fabius Pompey sports while supporting the athletic program. We need you and your family to purchase pavers to help finance the remaining projects required to complete the building. If you attended a soccer game this past fall you would have recognized the patio as a great space to watch the game and catch up with friends and neighbors.
